Portable printer selection guide

BMP21-LAB / BMP21-PLUS Label Printer — Tough on the outside, smart on the inside

Description: The BMP21-PLUS Portable Label Printer is an all-in-one labeller for voice/datacom, electrical and general industrial teams. With label materials designed specifically for harsh environments, the BMP21-Plus printer can quickly and easily create clear labels that stay stuck for years - despite extreme temperatures and curved or highly textured surfaces.

The BMP21-LAB Portable Label Printer is an all-in-one labeller for research, academic and clinical labs. The BMP21-LAB printer can quickly and easily create legible labels for flat, curved or highly textured surfaces that stay stuck for years even when exposed to extreme temperatures and chemicals.

Applications:

Electrical ID	Voice & datacom ID	General & Industrial ID	Laboratory ID	Safety & facility ID
★	★	★	★	

BMP41 Label Printer — Print it once, print it all, get it done

Description: The BMP41 Label printer is a rugged, portable solution that gives you the versatility to create die-cut or continuous labels up to 25 mm wide, anywhere, anytime! Whether you are faced with your jobs for the day or one-off tasks, the BMP41 printer is the one device for all your labelling jobs - from wire marking and general ID to multi-area labels such as patch panel, terminal block and more.

Applications:

Electrical ID	Voice & datacom ID	General & Industrial ID	Laboratory ID	Safety & facility ID
★	★	★		

BMP51 Label Printer — Designed to get the job done

Description: When you need clear, durable labels on the spot, you need the BMP51 Label Printer from Brady. The BMP51 is a compact, versatile portable printer with built-in Bluetooth® technology for wireless printing. It offers crisp printing, easy formatting, convenient label sizes, and portability required for electrical and datacom installations, laboratory identification, facility and safety labelling.

Applications:

Electrical ID	Voice & datacom ID	General & Industrial ID	Laboratory ID	Safety & facility ID
★	★	★	★	

BradyPrinter M611 Mobile Label Printer — Join the evolution of smarter identification

Description: The BradyPrinter M611 Mobile Printer announces a new chapter in the ongoing evolution of identification. Easily design the most complex labels in the field using only your smartphone and Brady's free Express app before printing on reliable, industrial grade label materials with the M611 Mobile Printer.

Applications:

Electrical ID	Voice & datacom ID	General & Industrial ID	Laboratory ID	Safety & facility ID
★	★	★	★	

BMP61 Label Printer — Flawlessly finish almost any cable & component label

Description: The BMP61 Label Printer offers great performance that matches your own. It is portable, fast and can handle a lot of identification challenges thanks to its wireless connectivity and a wide range of durable labels to print on.

Applications:

Electrical ID	Voice & datacom ID	General & Industrial ID	Laboratory ID	Safety & facility ID
★	★	★	★	

BMP71 Label Printer — One smart printer to print it all

Description: The BMP71 mobile label printer can print on more than 30 different types of label material – all designed with Brady's industrial-strength durability.
Whether you need heat-shrink sleeves, die-cut labels or indoor/outdoor vinyl, you can be confident that the BMP71 printer has the right label material for your application.

Applications:

Electrical ID	Voice & datacom ID	General & Industrial ID	Laboratory ID	Safety & facility ID
